

**DID YOU KNOW.....** that we have a staffed infant and toddler nursery available for you to use during worship? Children through age 2 are welcome to come and play. There is also a curtained off corner in the nursery for those who may need some privacy which can be used for nursing or for soothing your child. Additionally, we have the TLC ministry for those who are 3 years old through Kindergarten where children may go after the Children's Lesson. The KFC program will begin again in September. Older children can find worksheets and coloring pages on a table in the Sanctuary near the side entrance. Any of our ushers or nursery workers will be glad to show you how to locate our nursery or children's ministries and supplies. We love having so many growing families in church!

**Closet Classic, Flea Market & Cafe Sign-Ups. . . please sign up** on the bulletin board in the greeting area (behind the Flea Market registers) to help during and after our sale. The biggest need for volunteers is on Saturday, August 18<sup>th</sup> with clean up. The Flea Market clean-up begins at 1:00 PM and the Closet Classic clean-up begins at 2:00 PM. They will need additional volunteers this year since our donators were very "generous". Please help us out! It's fun, you may meet someone you didn't know, and your efforts will be very much appreciated!!!

**A Note from the Finance Committee. . .** Now that summer is here, we sometimes experience a decline in attendance due to vacations and the like. Please remember that our expenses never seem to take a vacation, and it is critical that our tithes and offerings remain strong throughout the summer months. As you budget your trips and outings this season, please remember to stay on top of your giving; and as always, we thank you for your continued financial support.

**Planning a home improvement project?** Why not purchase gift cards from Scrip? We have Lowes, Home Depot, Best Buy and many others in stock. If you need more than what we have in stock, they can be ordered. If you need them right away, let us know. We can usually get them within 3 days. Or, purchase Giant Eagle cards from Scrip and get the gift cards for your project at Giant Eagle. You get your fuel perks, and the church gets a percentage too! It's a win-win!

**I WAS JUST THINKING. . . by Pastor Jim**

Our reading from Ephesians this morning offers a healing ointment to a church that is sick and in need of salve, a word from which we derive our word “salvation.” Being married to a pharmacist has afforded me the opportunity to learn about medications, including healing balms, ointments, and the like. The go-to treatments in my youth were methiolate and mercurochrome, which have now been replaced with topical antibiotics such as Bacitracin, and Neosporin, because the older remedies contained mercury, which we know can be dangerous to health.

Some of you remember being tortured by your parents with the germ-killing sting of a tincture of iodine or a tincture of merthiolate. If you remember those treatments, you recall that those killer fluids came in tiny brown bottles with a long glass dropper inside. The glass dropper would hover over whatever wound was being treated, a scraped knee, a sliced toe, a de-slivered finger-tip, while the howling child waited for that first bright red drop of medicine to hit home.

Outside of the chemistry lab, though, a “tincture” has come to be recognized as a generic term for a kind of healing, restorative tonic. Originally many of the healing “tinctures” were herbal infusions - gentle healers, less concentrated, and less medicinally recognized, as the twentieth century wore on.

The key to an herbal “tincture” was not unlike making a good cup of tea. It required “steeping time” - letting the restorative agents just “sit and soak” until the greatest part of their essence had seeped out into the surrounding liquid. Eventually, savvy parents began subtracting the herbs and opting for a simpler, purer form of healing - a “tincture of time.” In layperson's terms, “let time heal the wound.”

In today's Ephesians text, the Body of Christ is being gently dosed with some healing tinctures - infusions of character, attitude, practice, and patience that will work together and synergize to create a stronger, healthier “body.” All the qualities, the “virtues” today's text advocates require the “tincture of time”...
